The Every Mom Coloring Book

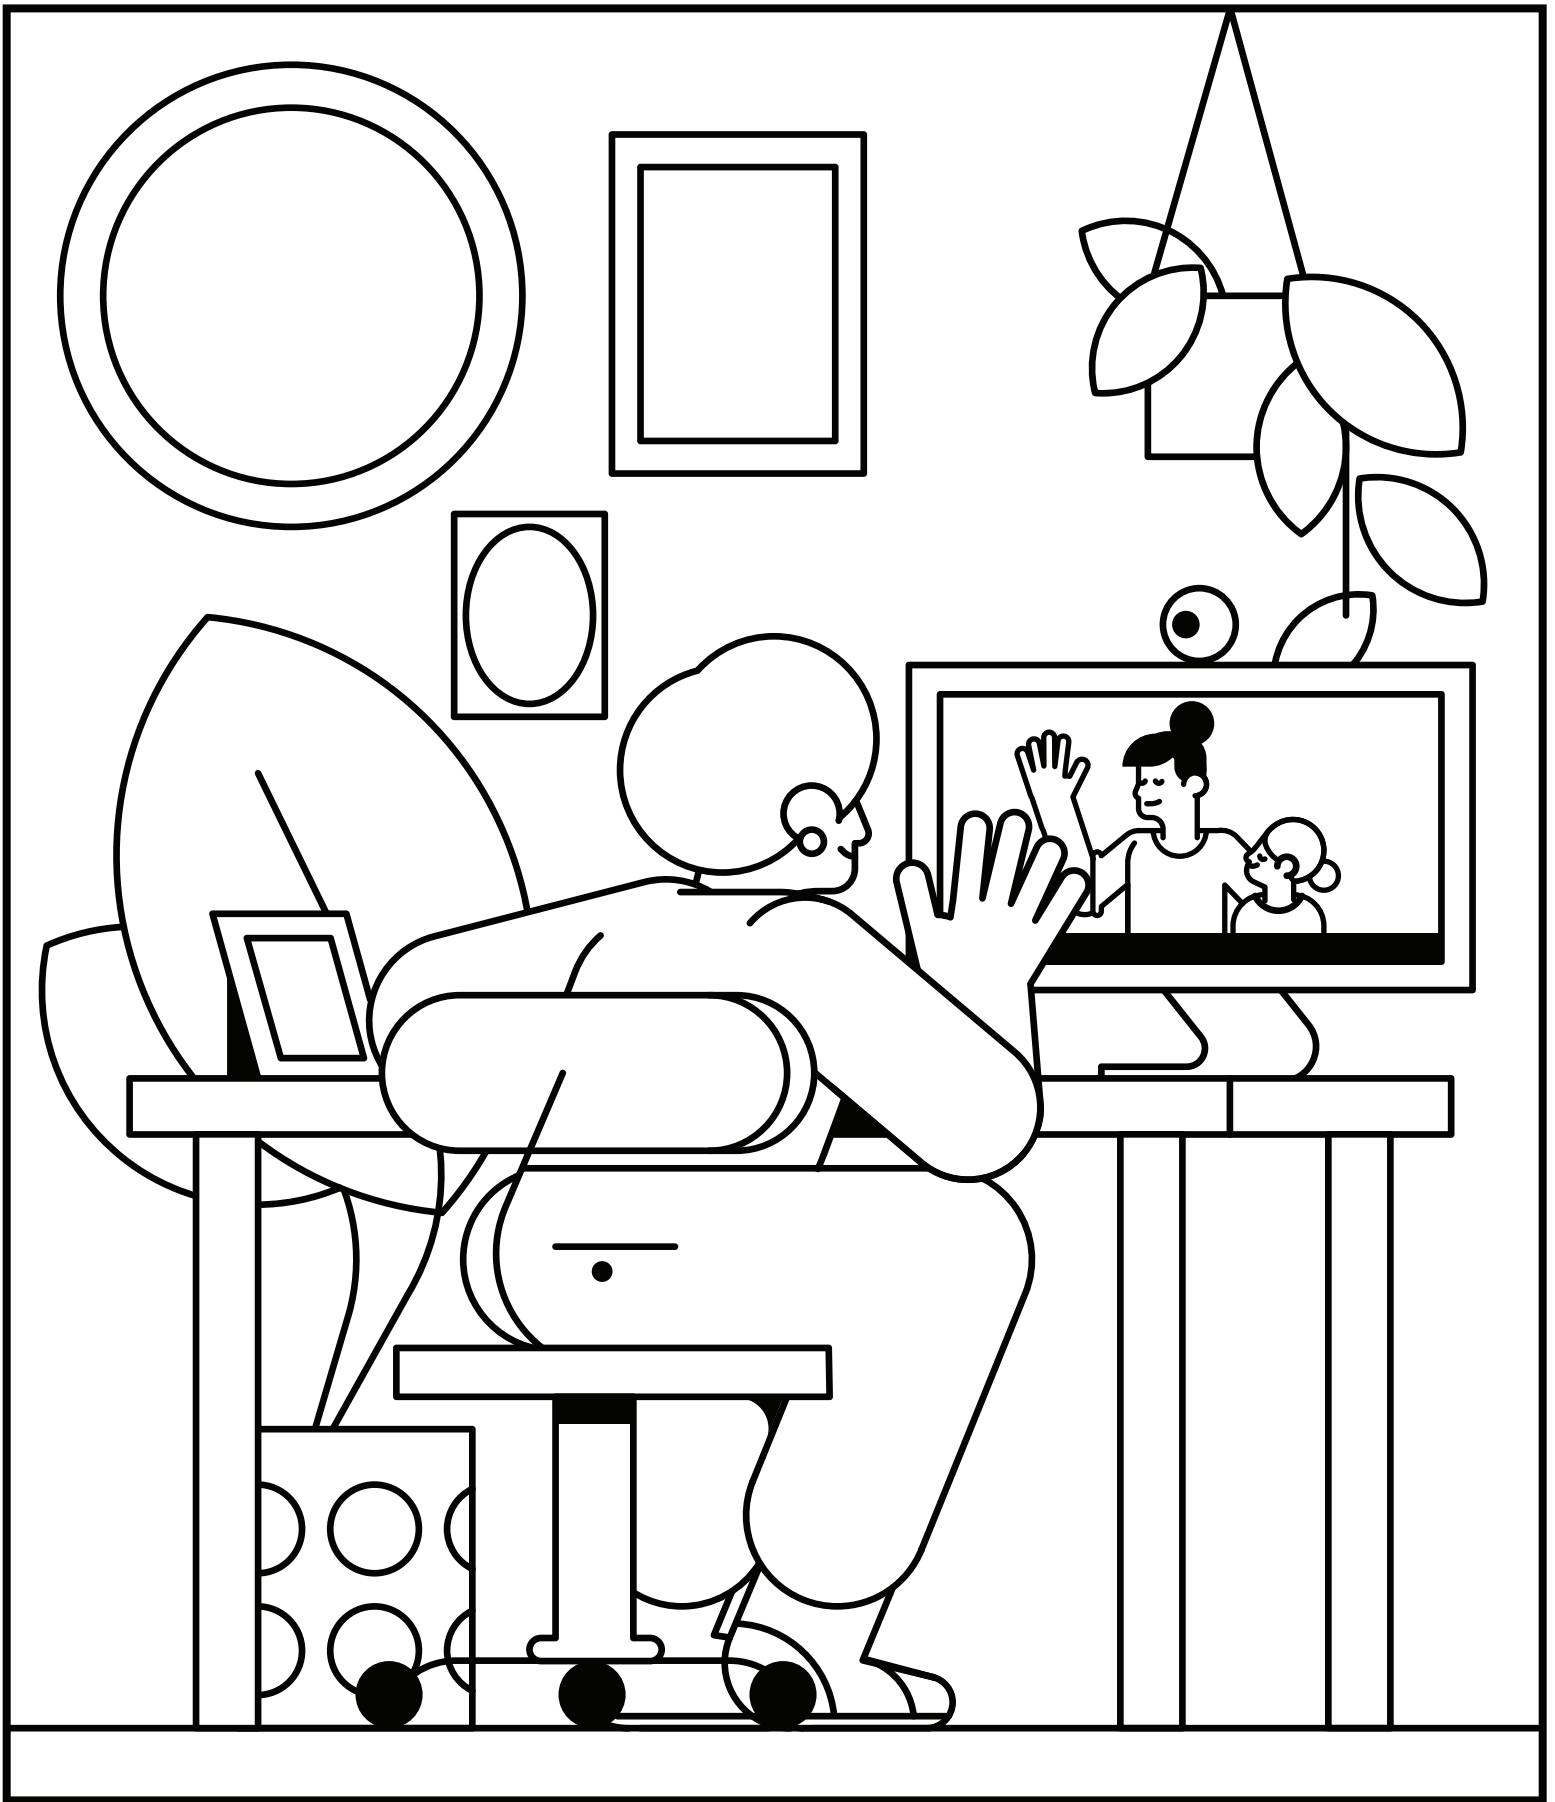

Moms can do so many things. No matter what the future brings, they make us feel safe through everything.

When she's busy working from home, on the laptop or on the phone, she's still there to make sure I don't feel alone.

**Always helping me with homework, yummy food, and play.
Hanging out with my mom is the best part of my day.
And when Grandma calls, I love running over to say "HEY!!!"**

To all the Moms working hard for us before we could crawl,
you are heroes to us all.

THANKS
for
EVERYTHING,
mom!
